FIRST RESPONDER SUPPORT NETWORK

An Evening Celebrating First Responders

Join us for a powerful evening celebrating the courage, sacrifice, and resilience of our first responders. The First Responder Support Network Inaugural Gala will be held on Wednesday, October 28, National First Responders Day. Public safety leaders, community supporters, corporate partners, and philanthropic guests will convene at the historic San Francisco War Memorial Green Room for a night of connection, recognition, and impact.

Guests will enjoy an elevated cocktail-style experience featuring an open bar, gourmet food, and live music. A short program of first-hand stories, honoree/volunteer recognition, and a fund-a-need paddle raise will help to finance FRSN's trauma-informed programs for first responders and their loved ones.

The celebration will continue with an after party, desserts, dancing, drinks, and live music by Martin Luther McCoy.
